Germany, officially known as the **Federal Republic of Germany**, is a country in Central Europe.

It is bordered to the north by the North Sea, Denmark, and the Baltic Sea; to the east by Poland and the Czech Republic; to the south by Austria and Switzerland; and to the west by France, Luxembourg, Belgium, and the Netherlands. The territory of Germany covers 357,021 km² and is influenced by a temperate climate/temperate seasonal climate. With over 82 million inhabitants, it has the largest population of any member state of the European Union and is home to the List of countries by immigrant population/third-largest number of international migrants worldwide.^[1]
